

Suzane Loraine Peach

December 3, 1963 - September 9, 2018

Sue Peach passed September 9, 2018, at the age of 54.

She was born in Salt Lake City on December 3, 1963, to Laurie and Lloyd Peach.

When cancer knocked at Sue's door she answered. She fought the battle with courage, grace, and a smile. She never complained along this hard road and always answered with a thank you and hug. She went the distance and endured to the end.

Throughout her battle, Sue became a master teacher to us all, opening doors for all to follow. Sue touched the hearts of everyone she met with her warm smile, kindness, and compassion. She made this world a better place. Because of her, our lives have been changed forever she became part of our hearts and us part of her journey.

Sue's greatest joy came when she adopted her two beautiful children, this gave her the opportunity to fulfill her dream of becoming a mom. By her example, they have followed closely in her footsteps in kindness and serving others.

Sue is going to be missed by so many. Remember no matter what happens our journey will always end in the sun. Meet you at the beach.

Survived by Kellie Evans, partner, children Kaden, 13, Kayleigh 11, Father, Lloyd Peach, Sisters, Tracy Peach, Kim (Todd) Grossenbach, Brother, Robert (Shelece) Peach, tons of nieces and nephews that adored her and her pets whom she cherished.

Proceeded in death by Mother, Laurie Peach, and grandparents.

A Celebration of Sue's life will be held Saturday, September 22, 2018, at Nunn's Park in Provo Canyon at 3:00 PM. Bring a chair or blanket and share a story and eat a doughnut with us!

Instead of flowers a donation in Sue's name to fight breast cancer is set up at Huntsman Cancer Center. Sue also expressed her wishes of service to those in need to become a supporter to those battling cancer in hospice or the Humane Society. (Live in the now and take the time!)

Our family cannot express enough thanks to all those who opened their hearts and became part of our bonus family. Blessed are we to know such kindness, compassion, and unconditional love. Thanks to all those that made this journey a little easier to endure, May God bless you all.

“ Tears of sadness and joy roll down my cheeks as I reminisce the wonderful memories of Sue. Sadness because of the sweet talks and positive outlook she shared with me every time I visited with her, that I will now miss. Never a complaint or a word of sadness but words of hope and happiness. Joy because of the opportunity I had to visit with Sue during her illness and appreciative of the ride we had of sharing ideas, stories, and concerns of this life. I received very special blessings and opportunities to get to know and love her special children, Kaden and Kayleigh, and also her amazing partner, Kellie. I not only learned from them the true form of love and enduring to the end but also the example they were to me of unconditional love. Thanks for the opportunity to know this good family better. Grateful to you all for you example. Myrle Allred

“ Sue was my manager at ORS. She was such a beautiful person inside and out. I watched as she handle her self with such grace and dignity as she faced such difficult people and situations. I have often thought about her. Blessed to have known her.

“ Every single memory makes me smile, or laugh. We had so much fun. Junior high and high school would'nt have been nearly as much fun without Sue. I'll miss her.
