“ I am so sorry for your loss, Carma and family. I know personally how painful the loss of a son can be. Your family was always the best and it has been my privilege to have lived by you and known you. May you know peace.

“ I am so sorry to hear of your loss. Travis was always very friendly and fun to talk to. I did not know him very well but I did feel that he had a good heart and cared for people.

“ I live in San Jose, CA.. I have worked with Travis for many years and the last 6-7 years we have been more "friends" than business colleagues.. We always gave each other grief over our preference for "smartphones".. He was always "Mr. iPhone" and I was an Android or WP guy..
I am still in shock, but grateful i was able to say Travis was a good friend.. Our family prays for Kelly and their children.. I will miss you Travis.. Your friend, Chris Doyle

“ I always appreciated how nice Travis was to me while we were in the same Ward in San Jose. Such a kind man. You are all in my prayers, Kelly and family.

“ I always looked up (literally) to the Ferguson boys. They were much older than me, but were good to my older sisters. What a great family (and the only one to have more kids than us in Hibbard). My prayers go out to all of you at this tender time.

“ I am so shocked and sad to hear of Travis's death. I wish I would have know about the funeral and I'm sorry I missed it. We shared office space in Orem for several years and I could always count on his humor and stash of diet coke in his office. We shared stories of our families and I believe he shared a connection growing up with my cousins in Idaho. He sure loved his kids and often talked about his hopes and dreams for them. Hug each other and know he loved his family. I Can only guess he was in a horrible dark place to leave this world so abruptly. I Wish I would or could have lightened his load in some way. Sending love and peace to his family. God bless.

“ Dear Carma and Hal, sincerely sorry for your loss. Travis as we remember him was always a busy child getting into lots of mischief and adventures. Having and creating lots of fun trays his sisters. Loved our days in Hubbard.

“ Travis was always so fun to be around. He was always laughing and making everyone around him laugh as well. I went to MHS with him and will always remember the fun band trips. I am so sorry for your family's great loss. He will be remembered fondly by all that knew him.

“ I didn't know Travis real well, I'm an old high school buddy of his older brother Rob, but I'll never forget being in band with him at Madison High School. He had a great sense of humor and was fun to be around. My best wishes for peace for him and all the Ferguson family. - Greg Moser

“ Travis and I were classmates from first grade through high school graduation. He was a great friend. People sometimes thought we were twins because we looked similar. I am grateful for Travis and his ever happy and bright personality. While we lost touch after high school, we rekindled our friendship in recent years when we both lived in Utah. My deepest sympathy to Kelly and all the family.

Sincerely,

“ I loved Travis as a boy younger than me growing up in Hibbard, ID. He was a great kid, full of spunk and energy and always had a smile. The Ferguson family played a big part in my growing up years. I am forever grateful to Carma and Hal for raising such a wonderful family who were all great examples in my life. May they all find peace and hope through the Gospel of Jesus Christ whose life shows us the way back to Him and our Father in Heaven.

With much love and affection,
