There are many who have donated for funeral expenses and others have shared so many wonderful stories of their memories of Tyler that has given much comfort to the entire family. A nice gesture to show your love and support and to do something to honor Tyler is to wear something blue, it was Tyler's favorite color.

“ Damn bro its so hard to except your actually gone! You always new what to say to make me laugh and smile! You can brighten up anyones day. It seems like yesterday we were just little native kids riding our bikes around the neighborhood causing mischief and getting into trouble! I remember we used to play WWE wrestling on Luis's tramp and you always were the toughest kid out of all of us. It has really been affecting me because the last time I heard from you... You had texted me and said "I love you and miss you brotha! Hope you have a good 4th of July" It hurts cause I'll never have a more thoughtful and caring friend like you were! I just wish I could hug you and tell you how much I appreciated you being apart of my life. I've had a couple signs this month that your still with me and its a great feeling! As I type this I can feel the hair on my neck stand up from your presence. I just want you to know that even though your not physically here with me you'll always be a brother to me and I'll love your family unconditionally as if they were my own! Your mom loves you very much. Its beautiful to see and hear how proud she was of having the opportunity to raise you to be the wonderful young man you've become. I will miss you everyday especially on your birthday because that is a special day so that I can tell my kids about "The Great Chief Tyler Perry!" so that as long as I live I let people know how great of a person you were and as I get older I grow older and wiser I'll let your legacy live on! I'm gonna miss you calling me "Gary the snail" and meowing my in my ear until you got a reaction! I just wish I could hear your goofy laugh again. I don't have any regrets besides that I should've gotten a Vasa membership so we could lift weights together but I know that you have your own personal gym in heaven and there will never be another human being as amazing as you cause heavenly father chose you for a reason! You were an angel on earth and always will be a good little brother, son, cousin, nephew, uncle, grandson and personally my best friend in the whole entire universe and I cant wait ti'll the day I'm blessed to see you waiting to greet me at "Heavens gates!" Hope you'll never forget me and will always give me the strength you had when I'm at my all time low with the challenges I'm faced with in the years to come!

"Please watch over your family and friends. AMEN"

Love your brother from another mother, Larry (Gary) Noble "Meooooow"
