“ Sister Pehrson helped save my life! I was a very troubled teenager when she opened her home to me so I could take the missionary discussions. I remember vividly those times in her home. She would always make a treat to celebrate the occasion. I especially loved her Swedish pancakes! As busy as she was with her husband being the bishop, Sister Pehrson would pick me up for every church meeting, every ward activity, every dance, seminary...you name it and she was there. She will forever be in my heart. I suppose the greatest tribute I can give her is that I married in the temple, I have 4 children, 3 of which have served missions and 3 married in the temple (my 4th is still single). This wonderful, beautiful life I was given has much to do with her and her life of selfless service. God bless this beautiful, faithful daughter of God.

“ Today I came across a hand-written recipe from Ulla-Britt, penned over 30 years ago, brought such loving memories to my mind. She and Bob were like second parents and I will never forget all they did for me. I love them both, she will be greatly missed by all who knew her.

“ Aunt Ulla-Britt and Uncle Bob were so generous and loving towards me when I needed a place to live. Things weren't the best for me at the time, so they were very willing to invite me to stay with them until I could find an apartment. I don't think I have ever eaten better in my life! All of the girls were very young and didn't eat much, so Aunt Ulla-Britt expected me to finish whatever was left I didn't mind too much because the food was FABULOUS!! My waist, on the other hand, did! She was always loving and supportive and encouraged me to do my best. She will be greatly missed. What a wonderful thing to know we are all an eternal family. This is just a time to be apart, but we will have forever to be together!

“ I remember when you were there! You helped me embroider a table runner. I felt so talented. =) That's one of my happy memories.
