

Vivian Houghton

July 21, 1924 - May 18, 2014

Vivian Frost Houghton was born on July 21, 1924 in Topeka, KS, to Joseph and Mary Frost. She grew up in Ozawkie, KS, the only child of the town barber. Following high school, she attended a local business college and worked as a bank teller.

She married Jack Houghton on January 21, 1943, a union that would last over 70 years. She spent a few years in Bremerton, WA, while Jack served in the Navy in WWII. When they returned to Topeka, a son and daughter were added to the family. She worked many years at Commercial Office Supply and seemed to know most of Topeka. She and Jack resided at Presbyterian Manor for several years until moving to Utah in 2013 to be closer to family.

Jack passed away on August 30, 2013 and she peacefully joined him on May 18, 2014. She is survived by her son, Randy Houghton (wife Mary) of Rio Rancho, NM, and her daughter, Sandy Fink (husband Rick) of Herriman, UT. She also leaves three granddaughters: Amy Crow of Topeka, KS; Kacy Franklin of Gypsum, CO; and Alex Howe of Columbia, SC, as well as two great grandsons, Jacob and Caleb.

A private service will be held at a later date. Condolences may be entered at serenicarefuneralhome.com.

“ Sandy I send you condolences on the death of your mother. I am writing on behalf of some of your Mom's 1st cousins who read the obituary in the Capital Journal in Topeka. I am Virginia Dickson, I graduated from THS in 70 behind you. My mom is Nadine & her dad Roy Chatham was your grandma Mammie's brother. The cousins were hoping for more details on the services & and address to send condolences, etc. I left my phone # with the funeral home and they will give it to the director who worked with you upon his return Tuesday. Hoping to hear from you. Sending prayers for you and all your family, sincerely, Virginia Dickson

(I especially have been blessed getting to know her the last 9 months as I visited with her and sent bereavement mailings. I rejoice that she is with her dear husband again where she wanted to be.)
