“ Our heartfelt sympathies to Lee and Bill's daughters and extended family. I was a C-M classmate of Bill's. Remember Lee babysitting our neice Barb.Often seen Bill and his family at brother Dave's. May he rest in peace now.

“ When I was young Bill always say 'hi' &/or asked me how I was doing while our families got together (I was one of the youngest of the Wyckoff cousins & many times other cousins didn't say anything to me) so that meant a lot to me. He will be missed- ?ed by many of his family & friends. Prayers for all.

“ I tried to say he was loved by many of his family & friends; but it didn't register as that, sorry

“ We had just moved in a few doors up the street when I found a snake woven in and out of the register in our bathroom. I'm not afraid of snakes, but it was woven tight! I ran and got Bill, who was afraid of snakes I heard later, and he rescued me! Bill and his family were wonderful neighbors. Rest in peace old friend.

“ Billy was always hitting my brother, Max, when they were little, & when they were 2, Max halled off hit him, then they were best buddies. We also spent a week with them each summer, & spent time in the cave. Billy brought his bright red hardtop convertible to one of the family reunions & we all piled in, Max in shotgun & all the girls piled into the back & onto the trunk lid. We road around town, feeling like we were in a parade. Billy was a good cousin & will be missed.

“ Having a cousin like Billy always meant entertainment. He loved to laugh and have fun. He was not a very good person to stand beside when throwing things. We were all throwing rotten eggs and Gloria told everyone to stand back when it was his turn to throw. My sister didn't get out of the way in time and she got hit up the side of the head with a rotten egg. We all laughed but I know she didn't think it was very funny. You entertained us when we had to go to "the cave" because of storms. I thought that cave was really cool and we spent a lot of time in that cave. Summers were for spending a week at a cousin's house and the Pullen house was favorite with all the cousins.

You fought a brave battle with cancer but in the end it won but now you are in heaven entertaining the angels and the rest of the Wyckoff clan. You will be missed.

Twylla (Arlene) Kerr

“ I am one of Billy's cousins in Iowa. Have such fond memories of spending time with the family. And yes, the storms and the cave we will never forget. May you find peace within your hearts. Joy Dueling Kinney

“ My thoughts and prayers are with you all. Bill was a very kind man... Always there to lend a helping hand. I remember not long after the birth of my daughter, the power was out in Oakland. He drove to our apartment and let us know we could go to their house and ride it out. He will be missed by many.

“ I remember having so many good, fun times on the farm with you and your family. We got to drive the tractor EVERYWHERE on the farm We helped pick up the hay bales. (I always got the one with the snake in it!) WE knocked the elevator to the hay loft out of gear just so we could ride it down to the bottom. We shot rats in the chicken house...and tried to make the horses jump a burning ditch...(DIDN'T WORK!) We drove the 'ole green "hup mobile" around the farm. We ALWAYS had to be in the house in time to watch HOWDY DOODY, which we had to have chocolate milk while watching.

I can recall we always got woken up by your dad, Bill yelling up the stairs "BILLY"! Seems there was ALWAYS a storm in which we had to go to the cave...(I HATED that cave!) Lary and I always spent one to two weeks each summer at the Pullen farm. I remember one time we blew up old paint cans with M-80;s and cherry bombs....! Billy, you were the most "fun" cousin I had.....thanks for the memories and Rest in Peace my friend....I will miss you!

Cousin,
Gary Wyckoff
