

William H. Trigger

September 1, 1938 - May 30, 2014

In memory of our beloved Father, Husband, Brother, Grandpa and Uncle. William H. Trigger Jr. who was born in Caroline County, VA on September 1st 1938 and passed away on May 30th 2014 at the age of 75 years

God saw you getting tired and a cure was not to be, so He put his arms around you and whispered, "Come to Me". With tearful eyes we watched you, and saw you pass away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the best.

Dad truly had a golden heart. He would give you the shirt off his back if you asked, especially for his kids. Dad was a father to more than just his own 5 children. He raised and mentored many of our extended family members down life's many paths. He is missed terribly by his many "kids". William lost his battle with cancer after fighting and holding on tenaciously in order to see his first great grandchild born which he did. William was one of the hardest working people you could ever know he was a roofer for over 50 yrs. and later in life a Quality Control specialist in the roofing industry. William was a devoted Catholic and faithfully attended mass weekly. William served his church by being a Usher, Baseball Coach for the church league and was a proud member of the Knights of Columbus council 8350. William also served his country in the Army and will be buried with military honors. William is survived by his loving wife and friend of 54 years Mary V. Trigger who he was devoted to. His children Melissa Marcelis (Tony Marcelis), William Trigger III, Trisha Manning (Dominic Manning), Tony Trigger, Christian Trigger (Megan Swensen), 14 Grandchildren, 1 great grandchild, 2 sisters and 2 brothers. Willie's passing has left a huge hole in all our lives. WE LOVE YOU!

“ William I will miss you so much. You always had to give me a hard time, just picking on me, fighting and laughing at the same time. I will miss your laughter. I will always have you in my Heart. Love you, Nina

“ I blasted my radio driving to work tonight, the way you always did when you would give me a ride... I sang country at the top of my lungs and thought of you, my old man! :)
