

Alfred Eugene Johnson

March 18, 1935 - December 9, 2014

Our dearly loved husband, brother, father, and grandfather, Alfred Eugene Johnson, age 79, returned to his heavenly home on December 9th 2014. He had been suffering for eleven years from multiple strokes as well as pulmonary fibrosis, and diabetes. He was born March 18th, 1935 in Raymond Alberta, Canada. He was raised in a loving home filled with boys who enjoyed the outdoors. He was an avid hunter and fisherman, who was found taking pictures of nature often. He served a mission for the Church of Jesus Christ of Latter-Day-Saints in the Western Canadian Mission. He continued his service in the church throughout his life serving in many callings including Branch President and Bishop, but his greatest love was serving in the scouting program. He set a strong example for the youth to follow. He was married to Dorothy Caryl Gates on August 16th, 1961 in the Cardston Alberta Temple. Over the years they have resided in Alberta, British Columbia, Ontario, Kentucky, and Utah. Alfred was an entrepreneur at heart and was a great salesman as he had a very welcoming personality and made everyone an instant friend. In his spare time he was a writer and published two books. He has also written a book of poetry and his personal history. In his later years he could be found serving in the temple and was an ordinance worker in the Provo, Mount Timpanogos, and Cardston Temples. Alf and Dorothy raised four children and helped to raise seven foster children. Alfred was a great provider for his family, he is loved and will be missed. He is survived by his wife of fifty-three years, Dorothy Caryl Gates, brothers Alton (Pat) Johnson

and Chuck (Shirley) Johnson. Children including Garth (Kuulei) Johnson, Heather (Michael) Moore, Caryl Johnson, Bryce (Toni) Johnson. Foster children including Edmond Anderson, David Humphreys, and John Bear and 18 grandchildren. He was preceded in death by his brothers Jesse, Glen, and Warren Johnson as well as four infant siblings Alexander and Agnes Elmsley, Alan and Joyce Johnson, and his parents Carl Oscar Johnson and Agnes Leona Atwood.

He was always so kind and gentle with all the neighbor kids, and talk and play with them as he visited Mike and Heather. He told great jokes and taught me many things when he had hid floral shop. “ Alfred often went out of his way to help others. I was one of those "others". Eddy & John Bear were two other "others" whose lives were improved because of him. Eddy, Garth and myself all are returned missionaries because of him. And I might add personally for myself, only because of him. Thanks dad.

Here is a very funny story: When my mission ended, Alf picked me up in Denver, Colorado, (where I live today-life is so interesting) and together we drove back home to the West Side of Lethbridge Alberta. During our trip, we stopped at Little Big Horn battleground park. On the open plains, there was a Wolverine sniffing around at about 100 yards away. Quick! said Alf, run over there and I'll take your picture with it. Closer, closer, get closer to it he kept telling me. By this time, that monstrous looking thing began grunting and growling. At the time I was quite young, about 24 if I remember correctly, so I was awful stupid. But not stupid enough to not know that the monsters grunts and growls were a warning for me. I protested, saying I was getting too close to the scary hairy thing. No you're not, insisted Alf, get closer. Then in a flash that thing rushed towards me, with a more ferocious growl I never 'for nor since heard. I immediately took to running backwards at full speed and full affright! Alf BURST into laughter, and I took to being awfully upset with him. Each word I spoke in protest only made him laugh louder and louder. As a recipient of his generosity, I am today, very happy for that humorous moment (orchestrated by Alf), that he and I shared together. Thanks dad.

“ I will never meet another like dad.. He was the only man that called me don and made me feel like a part of the Johnson Family! After going through 5 other Foster Homes he made me a part of a family that I never had before! I never knew how to open up to anyone but with dad he always knew what I was thinking and feeling! I am proud he used as a character in couple of the books he wrote! He taught me how to study for my Mission and to be a good father to my children! I will miss him more than anything but a part of him will always be with me! I love you dad and I know your watching down on us!

“ We are sorry to hear of Alf's passing. He was such a gracious and generous neighbor and friend. Alf was ever full of enthusiasm and dreams. We have missed the Johnsons since they moved from our area many years ago. Our hearts go out to Dorothy and the family and know they are comforted by their understanding of where Alf is now. Alf will be able to experience many "out of this world dreams" where he is now and he will be an appreciated helper there too.

“ All of us at Alpine Valley Care Center want to express our love and appreciation to Dorothy and her family for giving us the wonderful opportunity of taking care of Alf for several months. What a delightful, caring man. He will be missed by all of us here and his family, especially his dedicated best friend Dorothy.

I loved Alf and his welcoming family and spent lots of time hanging out at the house, as did many youth. I wish I was close enough to give a big hug to Dorothy and the kids, o miss you all and wish you all the peace that comes with knowing Alf is with our savior. Love you guys
