

Alice Jane Evans Redd

April 1, 2022

Alice Jane Evans Redd passed away at the age of 75 on April 1, 2022, in Pleasant Grove, Utah, surrounded by family who so dearly loved her. Alice was born in Lander, Wyoming to Thelma Alice Davis and Evan Kendall Evans. She spent her childhood on a farm in Wyoming where she enjoyed family, farm animals, camping in the Wyoming mountains, and raved about the prize winning flowers her father grew. She learned service, compassion, and a love for people through observing her Mother's work as a nurse, and her Father's interactions with others as an insurance agent.

As a single mother of two children, Alice provided strong support for her children Bryan, and Sharlynn. She was surrounded with supportive family and friends who strengthened her efforts as a single mom while living in Springville and Provo Utah. She worked as a receptionist in several medical clinics in the area.

Their life was greatly blessed when she met and later married Craig Allan Redd. The family was sealed together in the Manti Utah Temple on February 17, 1979. Craig and Alice moved to Blanding, Utah where they were later blessed with the births of Scott and Alison to complete the Redd family. Alice enjoyed providing fun experiences for her family. She wanted her family to be

inspired, and supported her children, and grandchildren in their many dreams and activities.

After her husband's passing, Alice eventually moved to the Holiday area in Salt Lake City, where she fulfilled a dream as a talented soprano singing in the Choral Arts Society of Utah, and enjoying all the cultural opportunities that life in that area offered. One of the highlights of living in a big city was the ample shopping opportunities! Alice never met a good deal she didn't take! Shopping was one of her hobbies and she made many friends at places she frequented.

In the later years she served the elderly as an activities coordinator at an assisted living home. Her great love for the elderly showed in the work she chose to do as well as the service she was constantly performing for those around her.

Her love for the gospel was evident in every stage of her life... she loved the hymns, and serving in the Mt. Timpanogos Temple. She served for a time at the MTC in Provo helping new missionaries as they arrived. Alice served as Relief Society President, in the Stake Primary, choir member, young women's, primary teacher and the calling of the compassionate service leader which allowed her to use her strengths and talents best.

Alice had an independent spirit that enabled her to face challenges. Those challenges allowed her to show true empathy to others, a gift that brought a real connection to her relationships. Her love of dogs and Dr. Pepper was surpassed only by her fierce loyalty to her children. Alice loved family dinners

and cherished holidays when the family was all together.

Alice is survived by her four children: Bryan Redd (Annette), Sharlynn Redd Dunyon (Jeffry), Scott Redd (Natalie), and Alison Redd Pike (Mark), She has been blessed with 19 grandchildren, 3 great grandchildren...with 2 more great-grandchildren on the way! Surviving Sisters: Ann Evans Pierce (Dan) and Norma Zay Evans Schell (Jim).

She was preceded in death by her husband, Craig Allan Redd, grandson Jeffry 'Cade' Dunyon, parents, step brothers and several in-laws.

A Public Viewing will be held Monday, April 4, 2022 from 6-8pm at the Chapel on 4679 W. 11000 Highland, Utah

Internment will take place at the Blanding City Cemetery on Tuesday, April 5, 2022 at 3:30pm

“ I met Alice when she wanted a Big Sister for Sharlynn in the Big Bro. & Sis. organization. I spent time in Provo with Sharlynn, her brother, her mother Alice, and Grandmother. I remember Alice always smiling and showing immense love for her children and mother. She had tremendous responsibility on her shoulders and bore it well. I was encouraged by her love and resilience to make life special given difficult circumstances at times. It was such a privilege to cross paths with her, her family and keep these as special memories in my own life.

“ *Alice was a loving and caring lady. I had the opportunity to see her on a lot of occasions as she played games and served the wonderful people at The Highland Glen Assisted living facility. She brought joy and happiness to so many whom she served. You will be missed. But our lives are better because of you.*

Alice always had a smile & a great sense of humor & was a friend to everyone she met. I treasured our friendship & will miss her. I'm sure she had a great reunion with her husband & loved ones.

“ I knew Alice for many of the years she sang with Choral Arts Society of Utah. We loved singing and performing. As a fellow soprano we usually sat near each other. Many of the sopranos loved to get together once a month to play Bunco. Oh how we laughed and enjoyed each other's company. I will miss my friend Alice. From Marilyn Ricks Bair

“ I got to know and love Alice as we worked in Cub Scouts in our Stake Primary callings. She from the Blanding Stake and me from the Blanding West Stake. She was always so delightful to be around. She contributed so much to our community and I was sad when she moved. May the Lord bless and keep her family. With Love, Bonnie Purcell

“ Alice Redd family, so sorry for the passing of your sweet mom. I have loved each of one you for many years. You've been a delight in your mother's and grandmother's life. She always shared her special memories about each of you with me and all her friends. Alice and I along with many other friends have enjoyed years of singing together in the Choral Arts Society. We've built lasting memories that I'll cherish forever. Service was your mother's strength, and I'll try each day to follow in her footsteps that truly emulated that of our Savior, Jesus Christ. Thank you for being you my dear Alice. I will cherish our sweet friendship and sisterhood forever.

Until we meet again please save us a seat in that Heavenly Choir. We'll join you in song again soon.

With love, your sister and friend

I loved working with her in the temple. She was caring and always would do things for me after my husband died. I have been thinking of her lately and didn't realize she has gone. I will always remember her thoughtfulness and love.

What a wonderful person Alice was. I knew her in Blanding as I taught her children, and interacted with her in community and church activities. We met again as we sang in the Choral Arts Society of Utah and served in the Mt. Timpanogos Temple. She will be greatly missed, but she leaves a wonderful, lasting legacy to her family.
