March 20, 1995 - January 17, 2016

Nació en una ciudad así afueras de la Ciudad de México. Ana Karen Flores López vino a los Estados Unidos junto con su familia para seguir una vida mejor. Ella creció en la área de salt Lake donde vivía con su familia.

Ana tuvo un comienzo en su vida muy duro y continuó viviendo una vida con muchos obstáculos. Por más dolor que ella tenía adentro, siempre la veían con una sonrisa en su cara. Ella valoraba mucho a su familia y sus amigos. Siempre animaba a los demás a ser feliz. Sus hermanos eran lo más importante para ella y siempre estuvo a lado de ellos.

Ana va a ser recordada como alguien con mucho valor que pudo romper con muchos obstáculos en su vida. Ella nos enseñó lo fuerte que era y siempre apoyaba a los de más en su propia manera. Su familia siempre recordará lo positiva que era y su risa que siempre nos hacía sonreír. Ella para siempre va a estar en nuestros corazones.

Born in a small town just outside of Mexico City, Ana Karen Flores Lopez was brought to the United States with her family to peruse a better life. She grew up in the Salt Lake area and lived with her family.

Ana had a rough start in her life and continued to live in hardship through most of it. As much pain as she was in, she always had a smile in her face. She valued her friends and family very much. Always encouraging others to be happy. Her siblings were the most important thing to her and was always there for them.

Ana will be remembered as someone very courageous who was able to defeat many obstacles in her life. She proved to us how strong she was by always showing support for others in her own way. Her family and friends will always remember her positiveness and her laugh that made everyone smile. She will forever be in the hearts of those who loved her.

“ *Ana you are my best friends and a best friend to many others. I've never known someone to love as hard as you did, I'm sure you're still watching over us all from up in heaven, I hope more than anything that you and Marcos are together again I know you're heart was so torn when you were down here, but I know that now God has mended it and that you can now be at peace. You will forever be missed baby girl. We love you. Emma Johnston*

“ *I am very sorry to hear of the loss of your loved one, and would like to offer my sincerest condolences to the family. During this difficult time, I hope you may find comfort in the words of Isaiah 25:8: "He will swallow up death forever, And the Sovereign Lord Jehovah will wipe away the tears from all faces.." Until that time, know that the God of all comfort is with the brokenhearted and those crushed in spirit. (Psalm 34:18)*
