

Anthony Larry Thompson

October 22, 1983 - February 2, 2018

Anthony Larry Thompson 1983-2018. Our charming son, brother, uncle, grandson, nephew, cousin and friend passed away into our loving Heavenly Father's care February 2, 2018. Anthony was born on October 22, 1983; he is the son of Larry Vance Thompson and Jean Thompson. Together they raised their family of seven beautiful children, Anthony being the eldest and a twin brother to Steven. He had a bright, humorous spirit and is a light in his family.

Anthony loved being with family and friends; he was witty and loved to laugh. He always had something funny to say to make others laugh. He enjoyed long boarding, movies, music, mountain hikes and picnics, reading, girls, sports, swimming, spending time with his sister and brothers, nephew and nieces, and cooking & eating! He is a member of the LDS church and loved to go the Temple grounds for peace and inspiration. He was young at heart and loved it that way; he will be "Forever Young" in our hearts. Anthony lived his life caring about others while finding time for himself to learn and grow.

Anthony is survived by his mother, Jean Thompson, brothers Steven, Larry, Spencer, Jacob and his sister Ambria, also by his grandmother Carol. He is preceded in death by his Father Larry, his sisters Jeanie and Leisa and several grandparents. Anthony will be deeply missed as he goes forward but his memory will be with many forever.

Anthony's family would like to thank all those who have been a mentor, a friend and an inspiration to him, they were many and Anthony acknowledged each one of them.

“ Anthony brought a light in my life that I didn't know I was missing. Even though my time with him was short, it felt like a lifetime. I loved that he always knew how to make me smile or feel better about myself. Thank you Anthony for being you and loving me in a way that I never thought possible.

“ Lord please bless all who loved Anthony and give special consideration to his family. Everyone here at Deseret Industries enjoyed the hours when Anthony was working because when he was here, everyone around him was smiling. I personally loved his sense of humor and his easy-going attitude and I know his light has been taken to heaven because it's just not as bright here without him.

“ *If tears could build a stairway
And memories were a lane
We would walk right up to heaven
And bring you back again*

*No farewell words were spoken
No time to say goodbye
You were gone before we knew it
And only God knows why*

*Our hearts still ache in sadness
And secret tears still flow
What it meant to lose you
No one can ever know*

*But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store*

*Since you'll never be forgotten
We pledge to you today
A hallowed place within our hearts
Is where you'll always stay*
