

Anthony Ure

December 26, 1978 - August 13, 2021

Our beloved Anthony Ure; stepfather, son, brother, uncle, nephew, cousin and best friend passed on from this beautiful world on August 13th 2021.

He is survived by his father Ray Ure Jr., brother Adam Ure, sister Shante Chadburn, nephews Kieran Alexander Chadburn and Tristan Anthony Chadburn, loving partner Ruth Wood and his stepchildren Ethan Aaron Wood, Rachel Ruthanne Wood and Mackenzie Renee Wood.

He is preceded in death by his mother Barbara Halladay, Grandmother Janet Ure, Grandfather Ray Ure, Grandfather Robert Royce and Grandmother Barbara Royce.

Anthony has a countless number of adoring family and friends that he has left behind. The lives of each of them will never be the same. To know him was to love him. He had a heart of gold.

He worked in construction from the time he was 15. Anthony loved to work with his hands and was a true perfectionist. He has worked for Don and Sarah Later for the last 8 years. They treated him like a son of their own. Their lives will forever be changed.

Anthony enjoyed coin collecting and was a real rock hound. He liked anything

unusual or one of a kind. Anthony loved to see the beauty and individuality of all things. Anthony craved the outdoors. He felt at home in the mountains and loved fishing and camping. The sounds of nature soothed his soul and he noticed every little detail of the beauty around him.

Kids of all ages adored him for his playful personality.

Anthony was the life of the party and a friend to all he came in contact with. People were drawn to him for his sense of humor, laughter and caring nature. He was always the first to offer a helping hand with a smile.

Anthony served as an adoring stepfather to 3 children and loving companion to Ruth for the past 13 years. Flying kites, shooting off rockets, leaf racing down the river, fishing, late night talks, bbq's, family game nights, video gaming and lots of laughter were some of the highlights of their family life together. They all enjoyed every adventure, every laugh and all of the love they shared. The love and memories are beautiful and will forever be cherished.

A tribute from his sister: He was just a big smile with the prettiest blue eyes. Being near him you felt loved and safe. He made everything an adventure. Didn't matter if we were going to the grocery store or the zoo. He loved freely and truly. Watching him with my boys and his own children is my most cherished memories. He was thoughtful and the boys still carry around their beetles in resin regularly. He loved life and people.

Our hearts will never be whole again. The memories we have with him are priceless. We love and miss you Anthony.

“ I knew Anthony for several years, we lost track of each other, I just saw this and I am devastated, he was my best friend here in Utah, he lived with me and my ex wife, and my sister for years I am so sorry that I saw this and didn't even get to say goodbye, or be at his funeral, I love him, and will miss him every day, I can't believe he is gone. I am so sorry we didn't keep in touch. Sincerely Alan Mitchell.

“ My funniest memory of Tony is... We lived in Kearns and the kids walked home from school, I was usual home or beat them home, this particular day, Tony beat me home and hid in the hall closet, the kids started trickling in, but no Tony, where's Tony I asked, no one knew. I waited and waited! Finally I was headed out the door to look for him and he jumped out of closet and scared the you know what out of me!!! Cracked me up!!!
I love Tony, he's always had a very special place in my heart and I will continue to carry him with me for all of my life. RIP Anthony, my Tony. ☐

“ I have many the ones that stick out. The first time he called me Mom and when he gave me a rock the first time. He had colored it with crayons. I still have it.

“ I knew Anthony as Billy. His gamer tag. I only knew him for a short time. Never met him in person and he knew me as Ocese. The short time we all played together we became friends. I'm going to miss our gaming sessions. I can't imagine the grief of Anthony's family and friends. The ones that knew him and loved him. My love and prayers go out to each and everyone of you.
