

## Arthella G. Warner

August 25, 1931 - March 9, 2021

On Tuesday March 9, 2021, our loving mother, grandmother, great-grandmother, aunt and friend Arthella Gwen Thorpe Warner passed away peacefully in her home at the age of 89. Arthella was born on August 25, 1931 in Springville, Utah to Arthur Franklin and Jennie May Thorpe. She married her high school sweetheart Marven Kay Warner, on April 7, 1949, in the Salt Lake Temple.

Arthella was a faithful member of the Church of Jesus Christ of Latter Day Saints and a longtime member of the Cannon Ward, where she has made many wonderful and lifelong friends. She served in many callings throughout her life including: Primary President, Young Women President and Relief Society President.

Mom carried her crocheting with her almost everywhere she went, making numerous afghans for her family that we will treasure. She was a talented cake decorator and made beautiful cakes for her family and friends. She enjoyed gardening, and grew many varieties of roses and irises. She enjoyed hiking and camping with her family and friends. But most of all mom loved her family and devoted her life to loving and supporting us.

Arthella is survived by her children; Steven K. (Laura), Paul, Debra (Steve), and Rebecca.

Thirteen grandchildren, 15 great-grandchildren and one arriving soon, and one great-great-grandchild and one more on the way. Preceded in death by her husband Marven Kay Warner, her parents, brothers and sisters.

A viewing will be held on Monday, March 15, 2021, from 11:00 a.m. until 12:00 p.m. at the LDS church at 934 W Fremont Ave. Following the viewing, a private graveside service will be held at the Evergreen cemetery 1997 S 400 E Springville, Utah.

“ There are so many memories that make me smile when I think of Arthella, like the way she always greeted everyone with her beautiful smile, she was kind and patient, she put Crisco on her face at night (which definitely worked because her skin was always radiant), she cooked the best sunny-side-up eggs, how much fun it was seeing her during lunch at Riley Elementary School because she was the best "Lunch Lady" ever, the way she loved and cared for the Mutual (Young Women) girls when she served as the Cannon 1st Ward Mutual/Young Women President, how she would give into our pleas to take us to get ice cream cones after Mutual and how she let us call her "Mom"! However, one of the most tender memories I have of Arthella was of the special Mother and Daughter relationship she shared with Becky. They had an incredibly close bond from the beginning, the kind of bond that takes some mothers and daughters a lifetime to develop. I always loved seeing the two of them interact and I thought their relationship was wonderful! I know they were there for each other during the good times and the difficult times. Thank you, to the both of you, for the great example you set for me of how the close relationship between a mother and daughter should be. Thank you Becky for sharing your Mom with all of us girls when she served as the Mutual President. I love you dear friend!

Thank you to Marvin, Arthella and Becky for welcoming me into your home to hang out, for sleepovers and for taking me on exciting camping trips! Thank you for being so good to me! I can never truly thank you enough for your generosity and kindness!

Arthella was and is an Amazing woman!!! I love her so much! I will always miss her! My life is better because of her and I hope I can be more like her.

I love you all Dear Warner Family! My heart goes out to you all. I pray that you will all be comforted now and in the days ahead.

Love,

“ Dear Warner family: I was so saddened to hear of Arthella's passing, but happy for her and the reunion she is having with her loved ones that have gone on before her. I regret that I am out of town in SoCal with my son's family and their twin boys' 1st birthday! Oh the circle of life! Your dear mother was always so kind to me and later to my girlfriend Bonnie, who became my wife. Bonnie always commented how nice Arthella was to her and making her feel so welcome and like she was part of our ward family. And that was much appreciated by me and Bonnie. Your dear mother was an angel to so many people and I know that her posterity will miss her greatly. Many people in the Cannon 1st ward have had an influence in my life and helped me become the person that I strive to be today, and Arthella was one of those dear people. So, my sincere condolences to you all and my heartfelt sympathy as well. May God bless you and strengthen you and give you the peace that only he can give, and may our Savior's love and his redemptive gift to us all get you through this time of loss and grief.

*With Prayers and love,  
Luke & Bonnie McDermott*
