

Arthur "Donn" Vincent

March 6, 1942 - April 27, 2018

Breyer's Ice Cream lost an avid supporter and is expecting their share price to dip significantly. After 76 years, on Friday, April 27th, 2018, Arthur "Donn" Vincent, (that's Donn with two "Ns") has moved on to the next stage of his soul's journey. Donn was born in Los Angeles, California to Arthur Jolley Vincent and Ruth Lena Anderson Vincent

His always fun, happy and joking spirit will be terribly missed by his family and friends. Some of his favorite things were: PLAY, music, fishing, walking, and history.

Donn married the love of his life, Charlotte, and has two children, Laura (Todd) Baker and Dan (Marlee) Vincent. He treasured his beautiful grandchildren: Jensen Vincent, Lindsey Rosete, Bobby Ratliff, Andrew Baker, Dylan Baker , Logan Baker, and a great grandson, arriving soon.

Special thanks to everyone that touched Donn's life and helped him along his journey. You are all appreciated and loved.

A Celebration of Life will be held on Saturday, May 12, 2018 from 2:00 - 4:00 pm. Please dress as casually and as comfortably as you'd like since Donn would like it no other way. Please contact Charlotte for more information.

In lieu of flowers please donate to the Alzheimer Association, Cancer Association, or Millcreek Senior Center.

“ The family of Donn have lost such a fine man. We were once engaged but the rigors of pre medical school and my age of 18 yo caused us to go our separate ways 57yrs ago. To his wife and family. I send my condolences at this time.

“ Donn was a very private man who had an amazing intellect. More importantly, he was extremely resilient to the challenges of life. It's a good thing, too, because they started when he was only a child. Though he regretted not seizing the opportunity to attend medical school, he used his talents to excel in business. Conflicts in personal relationships, however, caused him great sorrow. Still, he persevered. Always a man of honesty and integrity, he was intensely loyal and faithful. His love for Charlotte was inspiring. It was she who brought joy back into his life and put that twinkle in his eye. You will be greatly missed, my friend. Someday, we will meet again.

Donn was always so friendly and kind to me and my family. I liked running into him at the post office and I especially enjoyed hearing him speak about Charlotte. Their devotion to each other was wonderful to see.

Well, I can certainly testify to Donn's playful side. We often "played" with items left on the table at the Millcreek Sr. Center. We played Checkers with with salt and pepper shakers, and table football with used paper napkins. His smile was gleeful and infectious. I miss my buddy.
