“ To the Harrington Family,
I grew up by the Harrington family in East Carbon and I am so saddened hearing about the passing of Audrey. She was one person who was carefree and loved life. My sympathies to her husband, children and her siblings and to John and Kitty.
My thoughts and prayers are with you.

“ *The first time I met Audrey, she and Toddie were touring on her new Harley. I liked her right away. My second visit with the two of them lasted all day and by day's end I loved her. She was a great "get the job done" woman and I know she will be missed by her "soul mate" and and by her family. Too Soon Aunt Judy Q*
