

Audrey Leauro Mausia

September 8, 1970 - March 7, 2026

Audrey Leauro Mausia, age 55, of Herriman, Utah, passed away peacefully on March 7th surrounded by the love of her family. While her passing leaves a deep space in the hearts of those who knew and loved her, we find comfort in knowing she has returned home to her Creator and has been joyfully reunited with her parents and loved ones who welcomed her home. Audrey was born on September 8, 1970, in Compton, California, to her parents Inosia Salanoa Alafua and Adele Ramona Brunt. She was the second oldest of six children and grew up in a home filled with faith, love, and laughter—values that would shape the woman she would become and the family she would one day build. As a young woman, Audrey attended Carson High School, where she developed a love for sports. She was a natural athlete on both the volleyball and basketball courts, and those talents would later be reflected in the lives of her daughters, who inherited both her ability and her love for the game.
