Our beloved mother, grandmother, and friend, Barbara Ann Boyce Fitzgerald, died on June 21, 2022 in Provo, Utah of natural causes surrounded by her family. Barbara was born on June 4, 1936 in Provo, Utah to George L. Boyce and Katherine Sumner Boyce. She is survived by all five of her children: Tami Harris (married to Randy J. Harris), Boyce Fitzgerald (married to Sandra Hasler Fitzgerald), Jan Fitzgerald, Kurt T. Fitzgerald (married to Kirsten Fitzgerald), Aimee Gantt (married to Vernon Gantt) as well as 24 grandchildren and 33 great grandchildren. She is also survived by her siblings James S. Boyce and Patricia K. Hollingsworth.

Barbara married Crozier Kimball Fitzgerald on June 6, 1957 in the Salt Lake Temple. She supported father's military career by raising us children while making a home wherever dad was stationed. In father's 20+ year military career as a chaplain in the United States Air Force, Barbara moved the family every few years to various military bases around the world. As a family, we experienced world-wide adventures and witnessed history firsthand as we experienced diverse cultures together.

Barbara gave the seminary graduation speech for her class even though she was not yet a baptized member of the Church of Jesus Christ of Latter-day Saints. She was baptized later that year. Barbara served the Church in many leadership and service positions including as a missionary in the Tucson, Arizona Mission. Mother's faith and testimony in the Lord Jesus Christ was the foundation of all she did. In the 1980s, Barbara was a secretary to Levell Edwards during his "golden years" and was a supporting staff member of the 1984 National Championship team. Following father's death, Barbara married Edward Terris. They enjoyed five years together before Edward died in 1995.

Mother enjoyed being in the company of her children and grandchildren and was a spiritual example to them. They were her greatest joy.

Funeral services will be held Tuesday, June 28, 2022 at the Lakeside 7th Ward Chapel located at 2225 West 620 North, Provo, Utah at 2:00pm.

“ *Barbara took me in under her wing when I was a young Single Adult in San Antonio TX. She welcome me in as part of the family. I was able to help her when her family moved to Provo when Crozier went to Korea.*

Her and Crozier were the only ones at my Pam and my sealing in the Salt Lake Temple.

I have always had her in my memories because of her great love.

She was truly a great friend and will be missed and loved forever.

“ *Just learning of Barbara's passing.*

I'll never forget traipsing around the Middle East with her and the Cooks, and the Baltic cruise we went on. She was a great friend and a fun companion.

She loves her family fiercely!

She was looking forward to a grand reunion with her beloved

Crozier.

“ Our family was invited to Barbara's home for a family dinner I don't recall the event. Barbara was unaware of one of our 6 children's name so she pulled me aside and asked me his name. I told her his name was Brian to my surprise she named off the rest of my children's names. She always called each one of the by name everytime she saw us. That always made me feel special I love ❤️ her example.

“ I have a picture of Barbara and I walking together down Provo Center Street preceding the Provo Freedom Parade eleven years ago. We were hoofing it right along to get to the Wasatch Park and the end of the long walk-how did she ever talk me into doing this I thought! She was a great enthusiastic friend. I first met her when she was instructing Water Aerobics at the Orem Recreation Center and because I was going to chaplain training, she put me in touch with Tami. In the years following we became good friends. I remarried and moved to St. George in the winter, but we would reconnect when I got back. Covid also made it difficult to connect at the pool the last couple years. I was looking forward to getting caught up on how her shoulder was doing, her current adventures and the events in all her children and grandchildren lives-it had been so long.

Your mom loved and worried about you all. I know she will be missed by many and especially her family!

God bless.

“ I only got to meet her once and for a short period of time at a Bob Evans restaurant in Chardon Ohio along with Tami and my brother Kurt. We talked about her job at Brigham Young University. She was a very sweet lady and I wish I had gotten to know her a little better.

Barb was the best youth leader! She took us on some of the most wonderful activities. Aimee and I learned that she really did have eyes in the back her head and so we didn't try being sneaky again. She was always smiling and I love her ❤️

Sorry to hear of Barbra Ann's passing. I last saw her when she hosted a get together for relatives honoring our Grandmother, Zona Sumner several years ago. It was great catch up with her and other family members. I enjoyed her obituary and reading that Jim and Patsy are still with us. I still have many fond memory's of when we were young and had many family events.
