“ *Barbara was such a dear friend. We met while she was living on 400 East and spent many hours together chatting about her knitting and everything else we could think of. We shared many laughs and tears while she was there as well as at Orem Rehab and again at Abbington Manor. She loved her family and felt so blessed to have Jay and others visit and attend to her. My love goes with her and to all of you in her family. Ruth Durrans*

“ *My genuine sympathy to the family of Barbara. We loved her so much in the Relief Society meetings at Abbington Manor. She always attended with a smile and contributed to the discussions of the lessons. We loved her cheerful disposition and the time we had to spend with her.*

*Sincerely,
Jena Glover, Relief Society President at Abbington*

Barbara Johnson and I had the privilege of visiting teaching Barbara for several years in the Sharon Park 2nd Ward until her move to Abbingdon Manor in Lehi. We enjoyed our visits and her cheerful smile. We appreciated her stories and her love of family. We knew her children and grandchildren were so important to her! She was a wonderful example of strength and patience to us. Cindy Dunford
