“ *It has been years since I have seen Betty. I worked with her at a few Fred Meyer/Smith Market Place stores. She was one of those people that just touched my heart and made such a lasting impression. She always looked out for her coworkers and cared about what was going on with them. She was also one that made work fun and would joke around with you. Definitely someone who made the world around her a better place. Love you Betty, rest in peace.*

“ *Some people you work with you just can't help but love, Betty was one of these people. She just seemed to get along with everyone. Betty brought joy into the work place with her great sense of humor and quick laugh. This beautiful person will definitely be missed. Love to you Vaughn.*

“ I enjoyed working with Betty and Vaughn so much at Fred Meyer and Smith's. She was such a sweetheart and hard worker. She'd even been through a lot back then but her gentle attitude and kindness were unwavering. Fly among the angels, Betty.
