“ *Where to start with memories?!? I remember taking my grandpa's Bronco 4 wheelin in the south hills and I was too scared to drive when it got hairy so between Brandon and Billy they took care of that part happily. Billy scared the living crap out of me. The time I rode Billy's 3wheeler off of a cliff and Billy wasn't even pissed about his 3 wheeler just made sure I was ok! I can really go on and on and I am in my head. He was a great friend! Quite until he wasn't lol. It has been a pleaser and an honor to have lived life with you in it! Go find my dad I'm sure he knows where to fish up there!*
