Bo was very mechanically inclined, he learned how to work with tools at a young age from his Grandpa Brown.

He loved Old Cars, Old Trucks, Motorcycles and to Tinker on the engines.

That came in handy when working on his own vehicles or helping someone else which he did so often.

Working with tools and trying to fix things was his happy place.

BOY DID HE LOVE ZIP TIES & HIS FARMER JOHN OVERALLS!!!

Bo liked to shock people by showing how double jointed he was by putting his fingers all the way backwards or taking his arms over his head to the back. He could dislocate his shoulders. Everyone told him he should be a side show in the circus, that made him laugh.

The outdoors was special to him Fishing and Camping he enjoyed very much.

He was very tender hearted and would give you the shirt off his back without hesitation.

He had a passion for music of all kinds, with a deep love for Marilyn Manson.

He was a proud Father.

He liked giving his boys a hard time, while always showing them love.

Especially teaching them how to do new things and including them in chores or any fix it job he was doing.

Loved his Family more than Anything!
