“ *So sad to learn of Bonnie's passing. Wishing Howard and the rest of the family all the best as they continue on without her. She was such a go-getter for the Magna community as she was so dedicated to the newspaper there. It was great working with her for many years.*

“ *I have known Bonnie Stahle almost since I came to Utah. We would talk at the Utah Press yearly conventions. Although we were sometimes competitors, she was always warm, gracious and supportive of me. She was a beautiful woman and I am sorry to hear she has died. Bonnie Miller*

“ I knew Bonnie for a short period of time prior to her passing. She was so very gracious and kind. I was most impressed by her love for her family and mostly her very evident love and adoration for her husband. Watching her interact with him was truly inspiring.

*Bonnie married my Dad and took on the responsibility of two families. She was a very caring person and gave generously of her talents to all. She loved Dad totally and he also loved her. They will enjoy eternity together.*
