I was Boyd's housekeeper at the Legacy house. We got to know each other well. He liked playing tricks on me. We had many talks about life. He also sat at the table with my Mother in law and other people that liked him in the dining room. We all loved Boyd. We were going to take him for dinner at chuck o Rama for his Birthday but he said after he got to feeling better. I got to go see him at the hospital and tell him he better get better cause I had a surprise for him when he got back. I got him a new wheelchair. It was going to have a big red bow on it. He would have been so happy. He passed away about a half hr. After I left 😞 I will miss him so very much, as will our family. May you now Rest In Peace, and suffer no more ❤️ Love Robin
