

Bradley Wayde Christensen

December 7, 1970 - March 2, 2015

Bradley (Brad) Wayde Christensen passed away unexpectedly on March 2, 2015 in West Valley City, Utah. He was only 44 years old. He was born on December 7, 1970 to Wayde L Christensen and Sandra Cordes Christensen. He attended Granger High School in West Valley City, Utah. He enjoyed working on all kinds of automobiles. Although he didn't have any children of his own, he adored his nieces and nephew.

Brad is survived by his father, Wayde L Christensen, brother Greg and sister Leslie Vincent (Kiley). He was preceded in death by his mother, Sandra Cordes Christensen who is waiting for him. The family would like to thank his friend Brent for always being there and looking out for him. Brad may be gone but he will not be forgotten.

At this time, there will not be a funeral as Brad is going to be cremated. There may be a service to remember Brad at a later date. Because he is being cremated, his ashes will be spread in the mountains of Southern Utah later this year. Condoleces can be shared online at serenityfhs.com

“ I was so sad to hear of Brads passing. He was such a good friend to me, and to my niece Shylynn, and cousin Natalie. He was always rescueing one or all of us. Or hiding us out from our psycho boyfriends and bad husbands. His bravery never faltered and he had our backs no matter what. And our psycho men were psycho and scary. But he didn't care. He always protected us the best he could, despite the drama we may have caused him. Brad and I were there for eachother through difficult times. The loss of friends, mothers, pets. Natalie and I stayed with him the night Elmo died and were with him when he brought Bayou home for a testdrive. My mind is flooded with so many memored today. And I must say the world seems to be an uglier place without Brad. The only comfort I can find in this, is to know that Brad is with his mother again. He never fully recovered from her death. My deepest condolences to his family. Brad was a good man, who deserved more happiness than he ever got in this life. He will always have a special place in my heart. And tonight B-rad i will be watching South Park thinking about you. Rip my friend.
