“ *I have so many precious memories of Brenda. She created a beautiful, loving home that I thoroughly enjoyed being in. I remember as a kindergartner quietly knocking on the door of my home so that I could pretend my mom wasn't home and then run off to Brenda's to be with her. She made everyone feel loved and special. She was so much like our Savior and I will always remember and love her!*

“ *We love the Bowen family. Brenda was one of the sweetest ladies I know. She loved everyone. We know this will leave a good in each of your hearts but her sweet spirit and ways will be with you always until you are united once again. Live your life in honor of her. She is not far away. Our prayers and thoughts are with you all.*

“ *Brenda was as sweet and genuine as anyone I've ever met. If she doesn't make it to the Celestial Kingdom, I'm going to quit trying! There is surely joy and rejoicing on the other side as this special daughter returns home.*

“ *Brenda is a very special lady! She and Bob took me under their wings during a difficult time in my life! I lived in the basement of their Murray home. I was never alone. I had someone to sit with at church, and at home! She will never know what she meant to me!!*
