

Brenda Lee Logan

July 24, 1958 - January 22, 2023

Brenda Lee Logan, 64, passed away on January 22, 2023, in Salt Lake City, Utah, held and surrounded by her children. She was born on July 24, 1958, in Provo, Utah, to Anna Housekeeper and Jessie Logan.

Brenda was one in a million; she always lit up any room she walked into with her intelligent sense of humor and willingness to always be herself. She was a phenomenal mother starting at a very early age and lived her life for her children and family. Brenda was a dedicated worker throughout her life, always showing up to do her best and serve others, from management in the corporate world to the intimate caregiving of making living spaces immaculate. Her attention to detail was grand, and many of the individuals she assisted became her extended family. You could always find her outside as she loved to garden and feed the birds, especially hummingbirds who had a special place in her heart. She enjoyed watching the sun rise and set and was always up for an adventure through the canyons in the autumn season to take in the beautiful colors of the changing leaves.

Brenda is survived by her two sisters, Laura Hopkins and Jessie Logan; her children, Nicole and James Elliott, Brandon and Emily Watson; and Jennifer and Johnathon Otufangavalu. Also, by her ten amazing grandchildren, Makayla, Dylan, Chloe, Aleah, Hailey, Tyler, Lydia, Treyson, Isaiah, and Amiyah. Each of these individuals held a powerful place in her heart, giving

her motivation, purpose, and pride as she watched each of them step through life; she embraced their struggles and celebrated their achievements with honor that she got to be part of who they were, and who they were yet to become.

Brenda is preceded in death by her parents, Anna Housekeeper, Jessie Logan, and her brother Brian Logan who we are confident welcomed her with open arms upon her arrival and introduced her into her next grand adventure.

Private service will be held on January 27, 2023.
