“ *I worked with Brent personally here at ASAP Printing Corporation to assist him with obtaining printing for his customers. I enjoyed working with him very much. He always had a great attitude and enjoyed printing and people. I'm sure I can speak for everyone here at ASAP when I say that he will be missed. I am sure the Lord has welcomed him home.*

“ *I will always remember Brent as a hard worker, someone who was dedicated to his family, and someone who made a profound impact on me. He always had a way of spurring conversation on Gospel topics, and was dedicated to his beliefs. He will be missed. I will be praying for his family to help them through this time.*
