“ *I just learned of Brigette's passing and my heart sunk. I loved the time I got to visit with her. She was so hard working and pushed through difficult health trials with such grace. Always smiled and spoke of how she cared for her family and people she knew. I hope she can feel of all our love for her and that her family can be blessed with some peace through this difficult time. Lisa Hall*

“ *I just found this out today due to the memorial on the window at the Provo Ace Hardware. I only knew her through my interactions with her at the hardware store. She was very helpful so often to me and on many occasions went out of her way to meet my needs. Condolences to her family. Kristi Jensen*

“ I've know Brigette and Charles for a little over 7 years now. We've done business with both of them through Ace Hardware and it breaks my heart to know that she won't be there anymore. She was always so pleasant and helpful even when she was having a hard day, she would always take a Mo Ute to visit and catch up. We'll miss you Brigette and your sweet smile and beautiful personality. Love and prayers to your family!

“ Brigette was one of the most caring person ...I know her as a friend but also for work. I really liked visiting her for business because she would tell me about all the projects she was working on with her husband Charles her husband, and what was going on with family. She always asked about what I had going on with my son and was just a great person, mom and Wife!! She will be missed by all the family and friends and had the opportunity to know her. Rest in Peace Brigette 🙏🙏🙏
