

Calvin Anthony Riley

January 23, 1943 - June 17, 2016

Calvin Anthony Riley

On June 17, 2016 our loving Husband, Father and Grandfather completed his mortal mission and returned to our Father in Heaven. Born to Walter Colquet and Marvelle Morgan Riley on January 23, 1943 in Alamosa Colorado. He was the eldest of seven children.

Dad was raised in Alamosa Colorado and Clearfield Utah. After graduating from Davis High School, Dad served a two year LDS mission to the Northwest Indians, in Montana and South Dakota. After his mission Dad enlisted into the United States Navy and was trained as a Seabee. He served his country for four years, with two tours in Vietnam.

Soon after returning home he met and married his sweat heart Marcene Sue Worley on October 30, 1970 in the Salt Lake Temple. Together they resided in Clearfield and raised five children. To Dad anyone who entered his home became part of the family, which resulted in countless "foster" children. Dad was an active member of the Church of Jesus Christ of Latter Day Saints, serving in many callings and at the time of his passing he was a High Priest. Dad loved Scouting and served as Varsity Coach for the Special Needs Mutual for 13 years. Dad worked at HAFB for 30 years until retiring. But he couldn't stay idle, he then worked for Davis County School District, Medicine

Shoppe, and Island View Pharmacy as a delivery driver.

He is survived by his loving wife of 45 years, two sons Chad (Daylene) Riley of Woods Cross, and Cory (Correne) Riley of Farr West. Three daughters Toni Riley, Jacque (Timothy) Strong and Tami (Brian) Farr of Clearfield and 19 Grandchildren. One brother, Kerry (Sharon) Riley of Stanford, Virginia and four sisters, Coralee (Gayle) Rogers of Salt Lake City, Marilyn (James) Liddle of Logan, Lucinda (Ron) Cooper of Clearfield, and Jennifer (William) Couzzo of Gambrills, Maryland. He was preceded in death by his Parents, In Laws, and two brothers, Howard and Michael Riley.

The family wishes to express sincere gratitude to VA Hospital, University of Utah LVAD Coordinators, and Cascade Springs Home Health and Hospice for their excellent care of Dad.

“ In Church, one would not infrequently hear, for most all the years I've known Calvin, which has been about 3-1/2 decades, he would often ask, "May I take a moment to say something?" Ever to have his voice heard, and get his two cents worth in, Calvin liked to be heard.

I think that's a fairly universal desire of most all. Calvin did it the best he knew how.

Also, Calvin liked to be helpful, fixing bikes and lawn mowers, he always tried to be of service to his fellow beings.

We'll miss ya, Calvin! Hope to see you on the other side of the veil!
