“ I wish to send my love to the family of Darlene. I chased with her all threw our teen years and loved her family. Darlene's mother was my mutual leader for many years. Dean was small but he was fun. I have wondered where Darlene was and tried the last few years to find her. There is a Kevin Trevort here in Hurricane that says he is a grandson to Harold & Bernice but could never put him to who he belongs to. I just want to send my love to you all and would have loved to talk to Darlene. I was at the primary hospital several different times and for several weeks 12 years ago there every day and could have saw her. It breaks my heart I could not find her sooner. Sending my love to you all. Sharlene Hughes Memmott
