“ *Caroline and I formed a great friendship, as one of her Nurses she took on a motherly role and concern for me and others. She also spoke of her love for her daughters. Caroline will be missed, I sure loved her humor and I appreciated during the Winter Olympics, Caroline kept me informed about the American's performance during the Olympic Events. I know that we will meet again, she loves you girls so very much! Thank you for sharing your Mom with me. Love, Noel L. Gerulat RN*

Alice, you are so special to us. You were our advocate and we truly appreciate that. Momma is in a better place and is at peace. I completely believe that. There is a reason our paths crossed. We are very fortunate. Thank you.

“ We have known Caroline for about 13 years, during that time we have spent many holidays and just time with her. Even if we couldn't be together for months on end she would call and check in. She was Grandma Caroline to my kids. She had so many stories and memories she shared with us. She love her children dearly. She made us laugh and cry .

Thank you for sharing your Mother with us.
