“ *My thoughts and love go out to the Kay Family.*

Carolyn was a special person in my life. She was the big sister, I never had, my protector, and my friend. She loved music, nature, and life. She possessed a special gift, being able to turn a simple yard into a park; filled with endless flowers in bloom, trees and of course her incredible garden.

She was a strong strong family member, held her family together and cared for multiple members of her family giving them dignity in their final days. For those of us who had the good fortune of knowing her the loss will be great.
