“ *As I sit in heaven and watch you every day, I try and let you know with signs, I never went away. I hear you when your laughing and watch you as you sleep. I even place my arms around you to calm you when you weep. I see you wish the days away begging to have me home, so I try to send you signs so you know your not alone. Don't feel guilty that you have life, life that was denied to me. Heaven is truly beautiful, just you wait and see. So live your life, laugh again, enjoy yourself be free. Then I'll know with each breath you take you'll be taking one for me.*
