

Cesario Bartolo-Morales

August 27, 1971 - August 1, 2021

Cesario Bartolo Morales, 49, passed away on August 1, 2021 in car accident. He was born on August 27, 1971 in El Cuajilote Cuayuca De Andrade, Puebla to Leodegario Bartolo and Esther Morales.

Cesario was one of the most outgoing and uplifting persons with everyone in bad or good days. He was skilled in sewing, cooking, and construction labor work. He lived 12 years in the state of California and 19 years in the state of Utah. He was such an early bird and always enjoyed his coffee and donut every morning, he could not go without it.

His favorite hobbies were to go fishing, swimming, and camping. He also enjoyed going out to enjoy a nice view out the mountains of just cruising with friends and family. He also enjoyed winter days and summer times, and every time he got the chance he would record or take a picture of every good and fun moment he had with himself, family, or friends.

He was a strong believer in Christ, and he always enjoyed preaching the word of God to everyone. He also always motivated his children to become better than himself and to become leaders someday and be an example to others. But he always made sure that they knew and kept in their hearts that with God anything is possible. He will always advice his children to help those in need even if you don't have enough change, because God will bring greater blessings to you. Cesario had love for his family and friends, and if he could see us now then he will say "continue and be stronger together in Christ, because our lives don't end even after death, so rejoice because am just

going home to my creator in heaven, because am a child of God and we will all meet again soon.
