“ I miss you so much. You were such a fun guy and took riding shotgun seriously. I miss our adventures. I know you are at peace, but we hurt because of your absence.
Looking forward to seeing you again again. In the mean time I'm working on that farm! You'll be there in spirit I know 🤝💚💜☐☐

“ I remember Chad as kid being very cute and funny. He always had a little grin on his face like he was up to something. He was definitely loved and will be missed!
