“ *My Dad's best friend has gone home to enjoy being friends again, he was a major part of my life as a child and a young man. I enjoyed the hunting seasons and fishing trips. I will hold them close to my heart. I'm sorry I get the time off to be there but know I would like to have been to say good-by. Lee was a man with a heart of gold.*

“ I played basketball in the mornings with him for many years. There was never a better gentleman than Lee. We marveled at his ability as the years went by. I used his talents many times in plumbing. Always fair and good at his profession. He was always good to me and I considered him a dear friend. I commented to someone yesterday "that everyone should have a Lee Hudson in their lives!" He will be missed, but what sweet memories, what a legacy, what a friend. My life is better because of Lee. I hope all out there feel the same. Linda, we mourn with you and pledge to be there while you two are apart. Best to his children, their spouses and his grandchildren. We all walk a better path because of Charles Lee Hudson. “ Please accept my sincerest sympathies and may you take comfort in Jesus words when he said: “I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.” The righteous will possess the earth, and they will live forever on it, and they will find exquisite delight in the abundance of peace. -- John 11:25; Psalms 37:11,29

“ I have many great memories of Lee growing up. I remember a Lake Powell trip when the boat broke down and we had to be towed for a couple of hours to get back to camp. Most importantly I remember Lee's kindness and genuine interest in people and what we were doing. And he was proud of his kids and would always talk about how they were and what they were doing. He was a good man and will be missed. My condolences to the Hudson family.
