"If tears could build a stairway,
and memories a lane,
I'd walk right up to Heaven
and bring you home again.
No farewell words were spoken
no time to say goodbye

you were gone before I knew it,
and only God knows why.
My heart still aches in sadness
and secret tears still flow,
what it meant to lose you,
no one will ever know.”

“ Charlotte, there is not a day that goes by when you are not on my mind. I miss you SO very much! I have so many great memories of you, and your selfless and kind person you became. Even when you were Small, you always thought of everyone else, before yourself. These qualities are not common, and that

Is just a small part of what made you so special. I was so proud to be a part of your life, and hope I can follow what I had learned from you, and pass on the love you shared with me, to everyone I know. You are and always will be loved and remembered by me, and I hope to honor your memory appropriately. Until we meet again, my only niece, you reside in my heart, and will never leave my mind! “ *Dear family*

Taylor wanted all of you to know what a wonderful ,loving, giving, beautiful mother Charlotte was.

When Taylor was little she and Charlotte loved doing hair and nails. They enjoyed so many happy times. Just last month Charlotte and Taylor went shopping for Taylors prom dress and shoes. They had such a joyful experience and Taylor looked so beautiful. Taylor will cherish this memory forever.

Taylor loved Charlotte so very very much. Charlotte truly blessed this world with her presence and she blessed Taylors life with her unconditional love and caring. Taylor will be forever grateful for every moment she was honored to share with Charlotte.

“ I have known Charlotte since her birth, My son is a year older but they got along well. Sean and Charlotte took swimming lessons together from a crabby teacher when they were six and seven. They enjoyed going to the park and using the playground equipment. Not too many bumps and bruises on most days. We will miss Charlotte's happy smile and bubbly laugh. She was taken too soon, and our sorrow will continue for a long time. Thanks for being in our lives, Charlotte.
