“ *I still can't wrap my head around the fact you are no longer on this earth!! My heart is aching so hard! I just got off the phone with you! I know you weren't ready to go.... you had so many plans, ideas, adventures & projects you were doing!! Building a life for you! I am so proud of all you were accomplishing! I will NEVER FORGET when we lived in gunlock, and you were very intensely focused on the palm of your hand so I leaned over to see what you were doing... as I leaned you cupped your hand pulling it closer to you looked up at me growled as I asked "what you were picking at?" Sincerely saying "LETTUCE" And went back to focusing on your hand. Stopped looked at me and said "did I just say lettuce"? Laughing till we physically hurt!! I will miss your stories of adventures my friend!!! Love you always and forever your friend Destiny Mampel aka "GRILL"*
