

## Christopher Lane Kauffmann

December 6, 1960 - February 24, 2021

Christopher Lane Kauffmann, 60, Salt Lake City. Christopher, aka Sadhant, died February 24, 2021, of complicated health issues which took him from an active life as a yoga teacher and practitioner, an avid hiker, skier and all-around adventurer, to sadly being mostly chair- and house-bound for too many years.

Born in Nice, France, growing up in New Jersey, and then spending his adult life in Utah, Christopher received his BS at Weber State and was an expert computer programmer/analyst. He loved to think deeply about many life issues and enjoyed interesting conversations with any who spent time with him. Brilliant and funny, sweet and considerate, he will be dearly missed by his mother, sister and his many friends.

A memorial hike to scatter his ashes in the mountains he so loved will take place in the summer. All who knew him and would like to take part will be welcome.
