

Clyde Theodore Trusty

June 13, 1946 - June 22, 2021

Clyde Theodore Trusty passed away at home from natural causes on June 22, 2021. Clyde was born on June 13, 1946 in Dunsmuir, California. Preceded in death by father Francis, mother Nina Lenore Reid, sister Diane and wife Carole. Clyde was survived by his older sister Margaret, his younger brother Jeff (Sherry) and his four sons, Chris (Veleen), Chad (Sharon), Kevin (Karen), and Shaun (Elizabeth) and best friend, Buddy II. Clyde was also survived by 16 grandkids, and 3 great-grandkids.

Although born in California, Clyde grew up in Salt Lake City, living in the Avenues on "Q" Street. Clyde graduated from East high school, and married Nancy Carpenter, whom he later divorced, re-married, and re-divorced. Although unable to stay together, Clyde and Nancy had four boys, none of which have served any substantial jail time, so they must have done something right.

Later in life Clyde met and married Carole and spent many happy years together with her enjoying being grandparents until her death in 2014.

Clyde entered the Marine Corps as a rifleman in 1965 and served one tour in Vietnam where he was severely wounded in May of 1967. After recovering aboard a medical ship, Clyde eventually returned stateside. Clyde received an honorable discharge in September of 1968 and completed military service while earning a National Defense Service Medal, Combat Action Ribbon, Vietnam Services Medal, Vietnam Campaign Medal w/ device, Presidential Unit Citation, Good Conduct Medal, and a Purple Heart.

Clyde was a patriot and loved his country and was proud of having served his country as a Marine. His house was decorated with Marine Corps memorabilia, plates, flags, and statutes. Clyde was a loving father and grandfather, but PTSD consumed him along with other ailments as a result of his service. Ultimately those ailments made it harder for him to spend quality time with his family, and Clyde had a hard time going out in his final days. Although he couldn't get out much, he still enjoyed looking at pictures of his grandchildren and remembering their special times together.

Clyde will be laid to rest at 12:00 Friday, July 2, 2021 at Utah Veterans Cemetery and Memorial Park in Bluffdale, Utah. Prior to the graveside service, there will be a viewing at Serenity Funeral Home located at 13863 S 2700 W Bluffdale, Utah. In lieu of flowers, the family asks for a small donation to any worthy charity that supports Veterans affairs

“ *First I would like to say to the family of Clyde my wife and I send our deepest Sympathy to all.*

Clyde and I were friends since Jr High school we survived all our mischief High School years we always had each others back and trust in one another. I can tell you when he met Nancy he really fell in love with that gal. My wife Peg and Nancy got to know each other back then. When Clyde returned from boot camp trim and fit he was one proud Marine. After his returned from Vietnam and that long stay in the hospital he asked me to be his best man when he married Nancy. Clyde and I stayed good friends thru all these years he was a true friend that will be missed. "Rest in peace Brother"

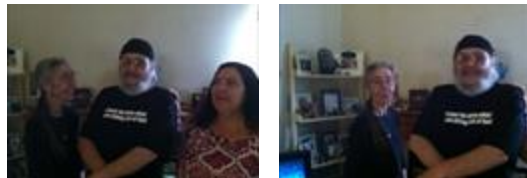

I can tell you Clyde often spoke of his boys the love he had for them and right up until his death and the love he still had for Nancy.

“ *So many memories I may have to do several. This one reminds me of why all his boys are smart asses. When he was wounded in Vietnam he told this story. We are there, trying to cover and return fire as bullets fly past and explosion all around, he is laying there bleeding and his CO comes up to him.*

Trusty you need anything?

I'd love a smoke sir.

Negative. You will give away our position.

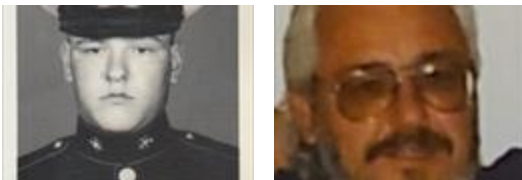

Dad looks down at the blood, looks left, looks right at all the shit coming down around them...

I'm pretty sure they know our position sir
