“ *I enjoyed picking her up every Sunday for church. We had many talks and I will truly miss her. May you be comforted at this time and no that she is with our Savior and our Redeemer. Love, LeAnna Jackman (her visiting teacher)*

Thank you so very much LeAnna for your love for and friendship with our mother. Knowing that you were there for her is very comforting as well.

“ *When I was in 5th grade I lived with aunt Colleen for several weeks while my mom had surgery and recovered. One day she brought home new knit gloves she had bought for her kids and she had bought me a pair too. They were multi color stripes, I think every finger was a different color. I loved them! That small gift meant so much to me. I have never forgotten it.*
