“ I am so sorry about the loss of your mom. She will always be my eternal friend. I will miss her and how hard she tried to stay true to what she believed. She loved the Lord with all her heart, no matter what she suffered, She tried in all her ways to please her Savior. She and I liked to go to Burger King to get a fish sandwich. She loved to go visit teaching with me when we were companions. I have sweet memories of our times together. I just feel sad that I was not there more for her these last days. Colleen wrote a poem to me which I would like to share.

*May the wind blow
through the cottage trees,
bringing the loving feeling
they all do see.
The family living there
all have some to give
to others, one by one.
There are 12 you see
to serve to thee
to live by their example.
To them it is only a smile
but to others it is so heavenly
Dear Father above
please bless their love
forever in eternity.*

She was special and still is. May you be comforted and know her love for you will continue. May you all feel peace and celebrate her good life. Love you all.
