

Connie Beth Nielsen Brown

August 30, 1943 - March 15, 2024

Connie Beth Nielsen Brown, our Mom, giver of pure love, the protector and Matriarch of our family passed peacefully away at her home surrounded by her family on March 15, 2024. We can only imagine the long-awaited reunion with her husband who she missed so deeply. Gene and Connie are in each other's arms again.

Connie was born August 30, 1943, in Murray UT to Paul and Beth Nielsen. She was the oldest of six daughters.

Connie met Gene when she was 16 years old and never stopped loving him. They were married October 2, 1961, and later sealed in the Jordan River Temple on June 28, 2002.

Connie worked at Sorensen/Abbott for over 20 years. She was a supervisor and HR representative. She loved music, singing, dance, plays, musicals and camping and one of her favorite things to do was to go get a diet coke with her friends.

Connie was very compassionate, a great listener, absolutely loved people and was the most accepting and loving person. She could strike up a conversation with anyone. She was a dedicated member of the Church of Jesus Christ of Latter-Day Saints, where she held many different callings, which prepared her

to serve a solo mission in Nauvoo later in life. Connie was a devoted wife, mother, sister, aunt, grandmother, great aunt, great grandmother, and friend. If anyone was participating in any activity, she was there supporting and cheering them on.

Mom loved her family unconditionally. She always said that her greatest joy was her family. Connie poured her heart and soul into loving and helping others. She worked hard and taught her family the value of dedication and loyalty. Her compassion truly made the world a better place. She loved people without judgement, and welcomed everyone into her heart.

We will forever miss our sweet Mom.

“ We lived across the street from Connie when I was very little and during part is that our family was going through some very tough times.
I have vivid memories of me and my younger brother going to her house and getting popsicles from her almost daily before continuing to play. We ate those popsicles and following that would ride big wheels in her driveway. She let us do chalk designs up and down the drive and sidewalk and she always made us feel loved, special and was so kind.
