

Connie Lee Patton

July 26, 1949 - January 20, 2024

It is with profound sorrow we announce the passing of Connie Lee Patton. Born on July 26, 1949, to January 20, 2024. She lived a life full of love and dedication. A woman of strength, resilience, and undying love for her family, her spirit was an inspiration for all who knew her.

She leaves behind her husband Don Patton married for 55 years her daughter, Kimberly Patton, and Donnie Patton (son) who were the center of her universe. She had 7 grand children and 1 great grand child. Connie's legacy lives through her children, a testament of her nurturing and devoted motherhood.

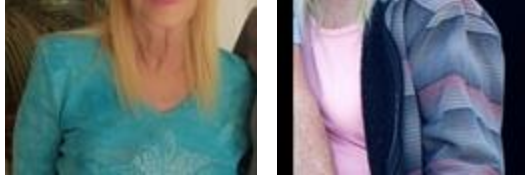

No words can express the amazing mother/wife and friend she was. Her absence is a void that can never be filled. All though she is no longer physically present, and not in any more pain her spirit continues to guide us. May she rest in peace and her memory be a blessing. As momma always said this isn't good bye it's see you later.

RIP sweat girl you will forever be missed and always in our hearts. Fly with the angels and be pain free.
