

Cynthia Ruth Hansen Carson

October 18, 1949 - October 25, 2018

Cynthia Ruth Hansen Carson was born on October 18, 1949, in American Fork, Utah, to Wendall Pulley Hansen and LaVon Bennett Hansen. Cindy came into this world the third of 13 children, stubborn as could be throughout her life until her death on October 25, 2018. Her childhood nickname was Beanos — though no one is certain why — as her siblings lovingly called her Cindy Bindy Beanos. She was a majorette and a cheerleader in high school, and her favorite snack after coming home from practice was a thick slice of grandma’s homemade whole wheat bread and a big slab of peanut butter and a little honey. It was her favorite treat ever!

She was married and divorced to Bryan Boley Carson four times. However, even at the time of her passing Bryan wasn’t sure if they had officially filed their divorce papers. Among the few items she had kept as keepsakes were love letters to dad, cards from him, letters from her parents and her sisters. She loved with intensity and could definitely hold her own in any type of argument. She loved her little puppy, Goldie, and would send us all pictures of her sitting on her lap or a video of her barking. She was so proud of her own independence and instilled that independence in her children. She would constantly want to make sure ‘us girls’ were able to “provide for ourselves”.

Mom loved to bake cookies, make holiday treats and would dance all over the kitchen to the sounds of Kenny Rogers - The Gambler and Lady were two of

her favorites. She also loved Jane Fonda and could do the vertical splits better than Jane herself. She loved her spandex leotards and leg warmers and would do a Jane Fonda workout video every single morning. She thought her son Tyler was so funny and spent most of her life either laughing at him or chasing him around with a yard stick. Mom was a true force to be reckoned with, and I'm pretty sure God is wondering now why he took her so soon. We are going to miss her smile, her laugh, her bright green eyes, and mostly her strength that always helped pull us through hard times like this.

Mom is survived by her four children: Tiffany Hamilton, Tyler Carson, Tasha Curry, Tori Jo Kelly; her possible husband - Bryan Boley Carson; 10 siblings - Candy Hansen Taylor, Carla Von Hansen Jones, Colleen Hansen Kelley, Camille Hansen Fowler, Charee Hansen Broadbent, Brian Bennett Hansen, Cheer Hansen Brems, Regan Bennett Hansen, Troy Wendell Hansen and Travis Bennett Hansen; 11 grandchildren, and 1 great grandchild. She is preceded in death by her parents - Wendall Pulley Hansen and LaVon Bennett Hansen, her brothers Randy Bennett Hansen and Bruce Bennett Hansen.

A graveside service will be held for Cynthia on Thursday, November 1 @ 10:00 a.m. at the American Fork City Cemetery.

“ *Margo Morey of Carey Idaho knew Cindy most of of of Margo's 20 years in Jackson moving in May 1999. We were close friends as we had children the same age and interests. When moving from Jackson and after Jim sr passed they lost contact.. Tyler was James jrs best man when James and Jan married years ago. Tyler and James have lost contact also. What a shame to hear about Cindy. It just broke my heart. To her family from the Moreys,, we are so so sorry however we know where she is and who is caring for her and look forward to seeing her again. Margo Morey, James, Jan, Marci, and Brent.*

“ Cindy was one of my best friends from elementary school all the way through high school. My mom and LaVon were good friends in high school, and my dad and Wendell were good friends and competitive coaches forever. Cindy and I would sometimes be lucky enough to get checked out of school to go to the state basketball tournaments with our dads! I have so many fond memories of times spent at the Hansen house and at every ballgame in town - I love the entire family so much! Whenever I saw Cindy in American Fork or Jackson, she shared stories and photos of her wonderful children and grandchildren - she was so very proud of all of them! The world has lost a shining light with Cindy's passing - the entire Dean family sends our love and prayers. 💔💔💔

“Cindy was my Sister-in-Law, and I felt so fortunate to have her in my life. She was so beautiful and tanned to perfection; she was generous with her friendship and a wonderful hostess. There was such a large Hanson family surrounding her all the time, but I managed to squeeze myself into her home on multiple occasions! She treated me with the same love and affection as her immediate family. There was always a Diet Coke and some crackers for her to keep her beautiful figure! She made the most delicious chocolate chip cookies anywhere and everyone ate them but her! Cindy was a loving and most caring Mom -- you need only to look at her four children to know how her example and guidance led to the strong, independent and successful children she raised. She also had the one thing many of us never had -- and that was the complete love and support of a caring spouse who cherished her and loved her more than himself. May God take her hand and heart from this day on. Please know when you are missing her, the angels are telling you, "She's with you every day."
