“ *You were the best step-father I could have ever asked for. I loved you as my father and when you went away I tried to find you. I kept looking online for you and even called a number you had listed. I wanted to reconnect with you for so long. I wanted you to meet my children. To find you on here already gone breaks my heart. I never got to tell you how much you meant to me and how much I appreciated you being there for me when I needed you most. I'm sorry I didn't spend more time with you before you left. I'm sorry you didn't know how much I cared about you. I love you Dago. I wish I could have been there for you.*
