

Dale L. Hancock

November 21, 1949 - October 13, 2015

Dale L. Hancock, 65, finished his earthly work and returned to his loving Heavenly Father in the early morning hours of October 13, 2015 after a short and valiant battle with cancer. Dale was born November 21, 1949 in Payson, Utah to Leo John and Della (Larsen) Hancock.

From a young age, Dale developed a love for the Boy Scouts of America and scouting became a large part of his life. He was an active participant in the Order of the Arrow Brotherhood and earned the Arrow of Light, Duty to God and Eagle Scout Awards. He developed a deep-seated commitment to fulfilling his duties to God and his country which led him to serve a full time mission for the LDS church and to enlist in the military. Dale received his mission call December 3, 1968 to serve in the Italian Mission. After completing an honorable two year mission he returned home to attend the University of Utah where he became a devoted Ute fan.

He served in the Utah National Guard with Battery C 1/140th Field Artillery Unit in Spanish Fork, UT. He married Patsy Faye Wren of Aberdeen, Idaho January 26, 1973 in the Salt Lake Temple. Dale and Patsy made their home in Payson, Utah where they welcomed three boys; all three of which became Eagle Scouts. Dale retired from the Utah Department of Corrections after working 20 years as a corrections officer. He also worked 8 years at the Utah State Hospital in Provo, UT as a security guard.

He served the LDS 11th ward faithfully as a scout leader, Sunday school teacher, member of the bishopric and the sunbeam teacher. Dale was loyal. He was a devoted father, husband, grandfather, brother, friend, and co-worker. He was an avid reader who shared his love for reading with his children and grandchildren.

He loved to fish and for years he consistently took his boys fishing every Saturday morning at 7am. Until the day he passed he and Patsy went to dinner every month with his brother, sisters and their spouses. Family was important to Dale. He enjoyed spending time with his grandkids and taught them how to cook, fish, garden, be kind and love unconditionally.

He is survived by his eternal companion: Patsy; Brother: Lars (Sarah) Hancock of Payson; Sisters: Susan (Pete) Schirmer of Payson and Jane (George) Jakeman of Orem; and his three sons: Nathan (Aleasha) Hancock of Santaquin, Tyler (Mellisa) Hancock of Mona and Jeremy (Sydnee) Hancock currently in Las Vegas. He is preceded in death by his father and mother.

Services will be held Saturday, October 17th at 11:00 am at the Payson Utah 11th Ward Chapel, 400 North 900 West. A viewing will be held at that same location Friday, October 16th from 6-8 pm and again Saturday morning from 10:00 -10:45 am. In lieu of flowers please take a family member fishing (preferably with flies or a spinner, Dale hated Powerbait).

“ We love your family. Glad we got to be on the same street for many years and in the same ward. We loved eating Italian food with you guys, though we didn't do it nearly often enough. Dale was always happy and a good neighbor and friend and we love your kids. We will remember him always and you guys will be in our prayers.

“ Dear Patsy, I am so sorry for your great loss.. Dale & I have been great friends since we were both 3 years old . we were always having camp outs either in the yard or our homes. We would ride our bikes to spring lake to fish,, or we would get Della to drive us to payson lakes too fish. It was my pleasure to be able to call him my friend, & to have met you and your family.. May God bless and comfort you and yours at this time! Thank you very much. Mike Jones

Dale and Patsy right on the corner next to us, they watched over our family many times. Dales leadership and friendship will long be remembered and appreciated. “ Kevin and I were very lucky to call Dale and Patsy friends. Our vacations on Lake Powell were very memorable. Watching Dale in the early mornings fish off the back of the boat or on a big rock on the shore was poetry in motion. (It made up for his snoring at night.) Playing Phase Ten at night and listening to his stories are sometimes we will never forget. Now Dale is on to bigger and better things. What a great man. He will be missed by many. We sure love the Hancock Family.

“ I was fortunate to have gotten to know Dale over the last few years working with him at the State Hospital. He was a very kind man, tough when he needed to be, but always compassionate. He had a lot of "war" stories from his years at the prison and his experiences at the Hospital and I enjoyed listening to him tell about them. I wish he could have enjoyed his retirement longer, but he always told me he liked the excitement of his job and wasn't sure what he would do without it. He was a good friend to me and I will miss him. RIP Dale.

“ What a remarkable human being - spent most of his career in the harshest environment imaginable and yet he maintained a level of compassion and respect for his fellow man that few people attain. He has been admired by all who knew him even for the briefest time and was deeply loved by his wife and sons. RIP Dale - with the knowledge of a job well done.
