“ *My papa (Daniel Lee West) was a role model. Someone who I looked up too! Every visit was cherished and more memories were created. Papa was the one to teach me to ice skate and how to make killer chocolate milk!!! Every time when he would come to visit was wonderful as he would find some way to bring smiles to everyone's face. After long years of hard work, bad days and best memories he doesn't have earthly pains or heart aches anymore!!! I love and miss you everyday my wonderful papa!!*

“ *Dan was like a father to me. He was always willing to help. He will be missed dearly and I regret not being able to see him over the last 10 years. I know that Dan had a special place in my heart and I am overwhelmed with the knowledge he was in Chelsea's heart. I wish I could have said good bye, and will forever cherish all the time he and I spent together. I know that Anita was blessed by his presence, and so was I and my family. Rest In Peace Dan and I look forward to seeing you in Heaven!*
