“ *Truly one of the most amazing ladies I have had pleasure to know. I was deployed when she passed on and wish I could have been there for her funeral. She was fun and spunky and take no crap attitude... but so good and efficient at her job. And the person that would get folks together (lunch, coffee) keeping work family in touch. I miss her deeply. Think she's having fun seeing all the folks she helped in her career and life active and healthy. Hugs lady.... until we meet again. Thank you for being my friend*
