Darryl D Lamoreaux, 56, lost his battle with cancer in his home on February 15, 2023, in Taylorsville, Utah. He was born on April 29, 1966 in Salt Lake City, Utah, to Clyde and Helen Lamoreaux.

Darryl attended Taylorsville High School, where he played football and wrestled. It has been stated that he held the record for dead lift for many years we are not sure which school. If he were here, he would give us the run down.

He furthered his education and received a Bachelor's Degree in Business Administration.

He served a mission for The Church of Jesus Christ of Latter-day Saints in De Moines, IA.

Darry's life revolved around hunting-anything and everything, fishing-on many banks of local lakes and supporting South Summit football and wrestling where he supported some of his nieces an nephew's through their high school year's and where he developed a love for the people and youth of South Summit earning him the title of "SUPERFAN"

Darryl is survived by his mother Helen Lamoreaux, Leon (Kim) Lamoreaux - Kentucky, Chris Wall – California, 5 Nephew's, 3 Nieces and their families.

Preceded in death by his father Clyde R Lamoreaux and Sister Sheryl Lamoreaux.

We would like to say THANK YOU to Intermountain Home Health & Hospice, friends, family and ward members who helped provide the compassionate care, meals and comfort that was needed at this time for Darryl and Mom.

“ *I played football for south summit high school he was our superfan, and always showed us what true fight was, and kept us going when we were down, and he was on the sideline every game. I was on injury reserve for four weeks, I had the honor of talking to him every pregame and he always was happy to be there, his passion told me and my teammates that true fight is key, I speak for a lot of people in my community whe I say he will be missed. Thank you darryl*

“ I grew up with you and your family and we sure did have some Great Times! Like the time I drew my very first swan tag and you told me exactly what shells to get and took me to the right spot! At first light a huge flock flew up and one swan broke off as he was shot at by other hunters. He flew right over me and when I shot him he locked his wings and glided down for like a country mile. You were there with me every step of the way as we chased him and finally found him on an iced over pond. I had to break ice to get him but we did. The swan is mounted on my wall to remind me of the special hunt and also to remind me how hard it was to get him. Whenever things got Hard for you, you just kept on and Never gave up! In life you were a great friend and a true example of unselfishness. You Never gave up and fought to the end! You're a real Fighter my brother and I will never forget You!!! now Rest my brother until we meet again.

Your Friend Forever

“ SUPER FAN as we know him. He was a huge part of South Summit especially Wrestling, Softball and Football! He always talked about the team championships and the wrestling individual champions. The last few years he showed student athletes what it meant to fight and also have a positive attitude during huge trials! His impact with be remembered for generations. We love you thanks for your example and support. May God bless his mom.
